

North County

Joint Union School District

March 15, 2020

Dear Spring Grove Families-

As you know Spring Grove School is closed to all students from March 16th-20th. The District will keep all parents informed on a week by week basis as to school closure and reopening. We will inform you by email and phone call. Please contact the school office if your email address or primary phone number has changed so that we may update it in our Powerschool system.

STUDENT LEARNING OPPORTUNITIES: While your children are home, our teachers are preparing Independent Study/Distance Learning Packets for each grade level. These will be available for pick up in the school office starting Tuesday, March 17th from 7:30-3:00 p.m. They will also be emailed out to families. We encourage your child to do as much of the packet as possible to continue learning. If you have internet access in your home, your child can access their **google classroom** account for work they can do, as well as the following websites:

www.i-ready.com All 2nd-8th grade students have an account and can work on both reading and math instructions and assessments.

www.footsteps2brilliance.com All TK-3rd grade students have online accounts. This is a great source for early reading skills.

CAASPP and ELPAC practice online:

https://login1.cloud1.tds.airast.org/student/V390/Pages/LoginShell.aspx?c=California_PT

In addition to these websites, I encourage you to have your child read every day, play board games, play cards, draw, create craft projects, keep a journal, play games outside, go for a bike ride or walk.

FOOD SERVICE: Spring Grove School's Food Services program will continue to provide meals to all Spring Grove Students during the school closure. This will be a drive-through service and students must be present to receive daily meals.

The service will be available between 11:00-12:30 Monday-Friday in the bus circle beginning Monday, March 16th.

SPECIAL EDUCATION: Special Education teachers will develop recommendations and resources for our students with IEP (Individual Education Plans). These will also be emailed out and available in the school office.

CAMPUS CLEANING: During the school closure, our custodial staff will deep clean all classrooms, bathrooms, and facilities, as well as all school buses.

2010 and 2020

It is my hope that our school community will stay safe and remain healthy during these uncertain times. We will work to keep you posted of any changes that may come up during these next weeks. Please watch our school website for updates and our school facebook page.

Thank you for your continued support!

Mrs. Jenny Bernosky
Superintendent/Principal
